Where can I find the scholarship application?

The scholarship application can be accessed by going to:
http://animalscience.ucdavis.edu/asac/scholarships

Summary of Scholarships

There are 11 scholarships and about $18,000 worth of scholarship funds available.
There will also be other scholarships available that are outside the Department of Animal Science scholarships that include: Study Abroad Scholarships and Educational Enhancement Fund scholarships.

Other Resources

Campus-Wide Scholarships
There are more than six million dollars in scholarships available through the campus-wide scholarships! Scholarships are awarded based on any number of criterion: extracurricular activities, major, parentage, hardship and perseverance. Applicants must have a minimum GPA of 3.25 going in to the Winter quarter to be considered.
Financial Aid and Scholarships webpage: http://financialaid.ucdavis.edu/scholarships

Educational Enhancement Fund
The Educational Enhancement Fund is available to students looking to pursue outside learning opportunities such as, conferences, internships and professional/industry meetings that are in association with the Animal Science Department. Applications must be submitted two months in advance of when funding is needed.

<td>Clear and concise</td>
<td>Ask for someone to proofread the day of</td>
</tr>
<tr>
<td>Have an outline</td>
<td>Handwrite any art of your application</td>
</tr>
<tr>
<td>Plan ahead</td>
<td>Casual language</td>
</tr>
</tbody>
</table>

**Structure**

- Use “spellcheck”
- Use a professional font
- Use paragraphs
- Have a beginning, a middle, and an end
- Show some depth, maturity of thought
- Highlight experiences, especially if unique
- Be honest

**Letters of Recommendation**

Pick someone who knows you! It doesn't have to be someone from UCD unless you haven't been here for more than a year. If you completed an ANS 49 and are applying for a scholarship related to the species, your letter should come from the facility manager. TA’s can also be appropriate depending on the situation.

**Notes:**

All slides will available for review on the Funds, Scholarships, and Awards page on the Animal Science Advising Center Page
