In this week’s Newsletter:
A. Announcements | Upcoming Events
B. Jobs | Internships
C. Scholarships | Fellowships

A. Announcements / Upcoming Events

1. Course conflicts between ANG 107, NPB 121, ANS 124: Don’t Panic!
   • If you are one of the many students who has course conflicts between ANG 107, NPB 121, and/or ANS 124, don’t panic! We understand that many of you need these courses to graduate by Spring 2016, and we are working on finding a solution for you.
   • At this time, the best thing you can do is to plan on waitlisting for the sections you need, and to be as flexible as possible. Please keep an eye on your emails, as we will notify you of a solution as soon as possible.
   • We guarantee that your graduation will not be delayed!

2. Young Cattlemen’s Association Meeting
   • The next Young Cattlemen’s Association Meeting will be held on November 12th at 6:15 pm in ASTF 500.
   • At the meeting, Dr. Mitloehner will be discussing how animal agriculture research can affect public policy.

3. Health Professions Advising: Drop in Advising
   • Health Professions Advising now has drop in advising available for pre-health students! Drop in advising will be held every Tuesday and Thursday from 1-4pm.
   • Health Professions Advising is located in 1011-13 Sciences Laboratory Building. You can always contact Health Professions Advising at 530-752-7092, or schedule an appointment at http://hpadvising.ucdavis.edu

4. Majors, Minors, and More!
   • The 2016 Majors Fair will be held on January 26th, 2016 from 11:00-2:00pm in Arc Ballrooms A & B.
   • If you’re looking to explore the possibilities available at UC Davis, look into attending the Majors Fair! Over one hundred representatives from different majors, minors, and student resource centers will be there.
   • This is a valuable opportunity for students who are interested in changing majors, declaring a minor, or even getting some questions answered about their own major/minor.
5. Undergraduate Travel Awards: Deadline Extended!

- For those of you planning to present at a professional conference this year, please take advantage of the Undergraduate Research Center's Undergraduate Travel Award!
- Undergraduate students may be awarded $500 to present at research conferences, meetings, poster sessions, or arts exhibits at regional or national professional conferences. Please note that you must be presenting at the conference and not just attending the conference.
- The application deadline for Fall Quarter has been extended to Friday, November 20, 2015 at 5:00 p.m. The Winter Quarter deadline is Jan. 29, 2016 and the Spring Quarter deadline is April 4, 2016.
- To apply, please visit: http://urc.ucdavis.edu/awards/travel_awards/index.html
- Please contact Tammy Hoyer, Assistant Director, tahoyer@ucdavis.edu if you have questions.

B. Jobs / Internships

1. Animal Agriculture Alliance: Communications Internship

- The Animal Agriculture Alliance is seeking a communications intern who has a strong interest in Animal Agriculture and excellent communication skills.
- Internships typically last 10 weeks and are offered in Spring, Summer, and Fall.
- Interns will work with writing, research, special project assignments and coordination, database management, conference participation, and utilizing social media.
- The Alliance Office is located in Arlington, VA.
- Interns will receive $1,500 per month, plus parking or retro reimbursement. Course credit is also available.
- For more information, please see the attached flyer.

2. Phibro Animal Health Summer Internships

- Phibro is seeking a third year student with a passion for dairy who is interested in pursuing a career related to field sales in animal agriculture.
- Phibro will educate the intern on immune function, its importance in animal production systems, as well as calcium status at the time of calving. The intern will also get an overview of Phibro products and services.
- Orientation and training for the internship will be held in May. The total estimated duration of the program is approximately 11 weeks, but this is variable depending on the candidate’s schedule.
- Proposed compensation is $18/hour. Phibro will also reimburse the intern for reasonable travel expenses to include meals, hotel accomodations, and other direct expenses incurred. Interns will be expected have their own transportation during the internship.
- To apply, please send resumes to Stacy Tsang at Stacy.Tsang@PAHC.com.
- For more information, please see attached flyer.

C. Scholarships / Fellowships

1. Advancing Women in STEM Scholarship

- Deadline: December 31, 2015
- Award Amount: $6,000
- To Apply: https://www.zenefits.com/scholarship/
Zenefits offers this yearly scholarship to women pursuing STEM-related careers. Applicants must be currently enrolled full-time, have completed at least one full academic year of college with a GPA of 3.0 or above, pursuing a degree related to science, technology, mathematics, or engineering, and have financial need.

2. The Pantry Scholarship
   - Deadline: Ongoing
   - Award Amount: $250 grocery certificate
   - To Apply: http://thepantry.ucdavis.edu/scholarship-program.html
   - The UC Davis Pantry offers a need-based scholarship that awards a $250 grocery certificate to three deserving students each quarter. Applicants must complete the online application and participate in an interview with staff members of The Pantry.

3. Julia Carrington Scholarship Program
   - Deadline: Ongoing
   - Award Amount: $10,000
   - The Julia I. Carrington Foundation will award multiple $10,000 scholarships to undergraduate UC Davis students who have lived within the boundaries of Solano County. Applicants must be planning to major in an agricultural field and have a minimum GPA of 3.0.
   - Please see the attached application for more information.

“Worry does not empty tomorrow of its sorrow, it empties today of its strength.”
- Corrie ten Boom, Clippings from My Notebook

I hope you all had a productive week, and have a studious weekend!
