**Basis for Admission**
Applicants are ranked via a formula, which takes into account the student’s science GPA, last 68 quarter units GPA, and quantitative GRE Score (GRE score represents less than 5% of overall equation).

If an applicant is granted Multi-Mini Interview (MMI), the applicant starts with a clean slate; thus, application scores do not carry over. Multi-Mini Interviews assess candidates on empathy, compassion, communication, as well as reasoning and problem-solving skills.
