

Animal Science and Management Major

Sample Schedule of Required Courses

<u>Plan 2</u>: This schedule assumes the student has completed the entry level writing requirement and is ready to enroll directly into Chemistry 2A and Math 16A (Calculus). First quarter workload should be 12-14 units. **Students must complete an average of 15 units per quarter in order to graduate (180 units) in four years.** Please note: courses used to satisfy General Education, College English requirements, and specializations for the major are not specified. Consult the general catalog or the Animal Science Advising Center for details.

FRESI	HMAN					
	FALL		WINTER		SPRING
