

## What can I do with a major in ANS, ANM, & AEE?

The AEE, ANM, & ANS majors provide students with a unique training in agriculture and animal science to propel them into a wide variety of careers. Graduates are prepared for advanced graduate degrees, teaching credential programs, or professional schools as well as careers in the animal health industry, business, or teaching.

### Opportunities in Animal Science

#### 1) ANS 49:

2 unit courses where students work hands on with animals.

#### 2) ANS 92/192:

Students may apply for internships at our facilities for units.

#### 3) ANS 99/199:

Students may register for units for research with a faculty member or graduate student.
