

Department of Animal Science Advising Center Agricultural and Environmental Education Major Spring Newsletter #2

If you find yourself having trouble figuring out your schedule, are not sure what classes to take or need general advice, come on in and meet with a Peer Adviser. We are experts in scheduling, resolving class conflicts, and are full of good advice.

The Animal Science Advising Center is open M-F 9am-12pm and 1-4pm in 1202 Meyer.

You can also email us at asac@ucdavis.edu or call 530-754-7915.

For more information about Animal Science Advising, be sure to visit our website at asac.ucdavis.edu, and like our Facebook page: [UCD Animal Science Advising Center!](#)

In this week's Newsletter:

A. Announcements/ Upcoming Events

B. Internships/ Jobs

A. Announcements / Upcoming Events

1. Attention Spring 2015 Graduates!

- The Animal Science Department will be taking a class photo of the Spring 2015 ANS, ANM, and AEE graduates!
- The photo will be taken just outside of the Arc Pavilion, on the west side of the building. The photo will be taken on the day of Commencement, June 14th.
- Here is what you need to do in order to participate in the Commencement photo:
 - Pass all of your classes and plan to attend Commencement!
 - Assemble at 12:15 at the west side of the ARC.
 - The photo will be taken at 12:30 pm sharp!
 - The electronic version of the photo will be shared with everyone afterwards, but feel free to bring friends and family for personal pictures.
 - After the photo is taken, everyone will line up with their major to prepare for commencement!
- If you have questions about the Commencement photo process, please contact Dr. Russ Hovey at rchovey@ucdavis.edu.

2. AED 160 Offered in Fall 2015!

- AED 160, a replacement course for IAD 103, will be offered this Fall!

3. Future Ag Ed Teacher Symposium

- The National Teach Ag Campaign will select 21 current Agriculture Education majors to travel to Washington D.C. and participate in professional networking and development!

- Selected attendees will receive a \$300 travel stipend, a minimum of 2 nights lodging, pre-loaded D.C. Metro card, most meals, D.C. monument night tour, professional development training, and recognition during the live webcast.
- To apply, please complete the application by **Sunday, June 7th**. Selected applicants will be notified by June 30th with additional details. The application is available through www.naae.org.

4. Central Valley Scholars Program

- The Central Valley Scholars Program (CVSP) was established in June 2013 through generous gifts from Central Valley families and business leaders to improve the economic prosperity of the Central Valley.
- Through paid internships, future scholarship opportunities, leadership development, mentoring and networking opportunities, the Central Valley Scholars Program is actively building a cohort of highly educated and skilled leaders who have an interest and affinity to live and work in the Central Valley upon graduation.
- Deadline to apply is **June 7, 2015**. Please see the attached application for more information.

5. Low-Cost GRE Prep Course

- Interested in going to graduate school, but can't afford to pay the \$1,200 or more for GRE prep classes? There will be another low-cost, high quality GRE prep course at UC Davis!
- This course is an 18-hour, comprehensive GRE prep course beginning in June. The course will be taught by a top scoring expert on the GRE. This course costs \$295, but students may qualify for financial aid reducing cost to as low as \$165.
- The course will be offered from 6:00-8:30 pm on the following dates: 6/24, 7/1, 7/8, 7/15, 7/22, 7/29, and 8/5.
- You can apply for courses and find more information at www.campusprep.org

B. Internships / Jobs

1. Summer Intensive at Hawai'i Institute of Pacific Agriculture

- There is a new Summer Intensive offered through the Hawai'i Institute of Pacific Agriculture (HIP Ag), for July 5th-August 1st, 2015. You can participate in their Living Farm Internship, and experience the happenings of a working farm while becoming immersed in the study of tropical permaculture and conscious agriculture.
- There is a four week course included with the program where students can work and learn alongside HIP Ag instructors. Interns will also learn how to grow and prepare food from the land with the resident chef. There will also be several educational field trips to locations all over Hawai'i.
- For more information and to register, please visit: <http://hipagriculture.org/education/internship>

2. Positions Available through the University of California, Office of the President

- The following positions are available online through the link below, and may be found by searching for the requisition number under the "Search Jobs" link.
- Principal Agricultural Technician
 - Hopland Research and Extension Center
 - Position open until filled.
 - Requisition Number: **20150276**
- 4-H Program Assistant
 - California 4-H Youth Development Program; Davis, CA

- Final Filing Date: **June 5th, 2015**
- Requisition Number: **20150291**

What do you think?

We'd love your feedback! If you like having a newsletter catered to your major, let us know! If you have suggestions for improvement, also tell us. We want to provide useful information to you in the most effective way possible.

You can email your comments or suggestions to us at asac@ucdavis.edu!

"You cannot afford to confine your studies to the classroom. The universe and all of history is your classroom."
- Stella Adler

I hope you all had a fantastic quarter, and good luck on finals!
