NEWS & EVENTS

Gary Anderson, Animal Health Professor and Chair emeritus, was spotted driving a 1948 Ford 8N tractor at a local Community Days parade!

The department hosted the Budweiser Clydesdales at Mare Manor while they were in the area for events at the Fairfield Anheuser-Busch Brewery and Dean Dillard stopped by for a visit before the team headed off to Wyoming.

Upcoming Events:
50th California Net Energy System Symposium
September 12–14, 2018
UC Davis Campus
Registration: http://cnes.ucdavis.edu/registration.html
Find past "Department News and Updates" at http://animalscience.ucdavis.edu/ens/news/index.html

OUTREACH & TRAVEL

Francine Bradley directed California Department of Food and Agriculture staff to locations in Los Angeles County where significant mortality was occurring in backyard chicken flocks, marking the spread of virulent Newcastle Disease out of San Bernardino County.

Alison Van Eenennaam gave presentations on "Safety and risk communication of GM (genetically engineered) crops" at the Food Industry Research and Development Institute (FIRDI) in Taiwan; "Genome editing - enabled genetic evaluation" at the New Frontiers in Genetic Evaluation conference and Corteva Agriscience conference in Johnston, IA; and on "Mining and manipulating agricultural genes" and "Communicating science in a networked world" at the 30th International Conference of Agricultural Economists in Vancouver, Canada.
