

# UC DAVIS

## SHEEP EVALUATION WORKSHOP

### Saturday, November 3<sup>rd</sup> 8-12pm

---

UC Davis Animal Science Department is hosting a sheep evaluation clinic to help exhibitors enhance their ability to properly evaluate market lambs and breeding ewes. We also aim to offer you the **MUST KNOWS** prior to purchasing a show sheep. If you attend you will have the opportunity to:

- ✓ **Step into the perspective of a livestock judge to understand what they look for**
- ✓ **Place and describe 2-3 classes of breeding ewes and market lamb**
- ✓ **Learn various types of show breeds**
- ✓ **Learn how to properly handle market lambs**
- ✓ **Identify diseases that commonly affect show sheep**

There is no cost or registration!

Open to Parents and Exhibitors!
