November 14 or November 25 (tentative) - Fresno County.

November 26 (tentative) - Madera-Merced County (Chowchilla).

November 19 - Stanislaus - San Joaquin County (Oakdale).

THE CHAIRMAN SAYS

New Jastro fellowships - for undergraduates for research. Submit proposal to College Committee on the Honors (R. E. Kunkee, Department of Viticulture and Enology) by November 1 for 1970 Winter Quarter. Dr. Ashmore has further information.

President's Undergraduate Fellowships - 1969-70. Letters of application to Committee on Undergraduate Scholarship & Fellowships no later than October 17. Further information in main office - see Gerry.

Upstairs - The Dean's Office stole Eric Bradford to serve half-time as Associate Dean, responsible for student matters. Bob Laben agreed to serve in his stead in the Department Executive Council and as Chairman of the Undergraduate Teaching Committee.

Kudos - Everyone, staff and graduate students, give yourselves a pat on the back for excellent dedication program for Harold Cole Facility. The Committee was: Rube Albaugh, Chm., Jim Boda, Perry Cupps, Bill Weir, Floyd Carroll, Roy Hull, Hubert Heitman, and Gerry Rippengale.

Financial notes - The phone bill for July and August was only \$1,000 probably because a lot of people were gone (garage bill, \$1,800; air travel, \$1,500). Was that trip necessary? Probably. Some of those who stayed home apparently were trying to beat inflation with a \$3,300 shopping spree at the Storehouse. Others must have carried on part-time printing businesses on the side, contributing to over \$400 charges for Xerox copying. A GENTLE REMINDER: Money cannot be spent as if it were water -- it is more like dry ice.
