

Fall 2022 Sample Schedule Transfer Agricultural and Environmental Education Major

In your Aggie Advising Appointment, a Staff Advisor will discuss how to adjust the below schedule taking your transfer coursework into consideration. Please be sure to have a copy of your unofficial transcript(s) available for review during your appointment.

Plan A: This plan assumes that you have not completed the lower-division Math/Science Preparatory Subject Matter, specifically the equivalent of CHE 2A and 2B (General Chemistry), nor have you completed the equivalent of MAT 16A and 16B (Short Calculus) at another college. This plan also assumes that you *have* taken the Chemistry and Math Placement Exams and have placed into CHE 2A and MAT 16A. Additionally this plan assumes that you have not completed all of your lower-division General Preparatory Subject Matter.

Fall		
	ABT 16	2 units
	AED 160	3 units
	Lower-Division Science Prep*	3-5 units
	Lower-Division General Prep	4 units
	SAS 106 (Career Discovery Group)	1 unit
	Total	13-15 units

Plan B: This plan assumes that you have completed the lower-division Math/Science Preparatory Subject Matter and the lower-division General Preparatory Subject Matter (please refer to the AEE Major Checklist for specific courses).

Fall		
	AED 160	3 units
	EDU 115	2 units
	Focus Depth	4 units
	SAS 106 (Career Discovery Group)	1 unit
	Restricted Elective	4 units
	Total	14 units

*We do not recommend that students start with BIS 2A until AFTER they have completed CHE 2A, 2B.

For Focus Depth and Restricted Elective courses: Please ensure that you have met the prerequisite requirements before registering for the course. If you are unsure, please email asac-newstudent@ucdavis.edu **in advance**.

For Non-Transferrable Agricultural-based courses: We may be able to count these courses towards your lower-division General Preparatory Subject Matter. Please come prepared to your appointment with a syllabus if you would like them reviewed. This is only for courses that you feel could count towards your **lower-division General Preparatory Subject Matter**. **We will not review any other non-transferrable coursework towards other requirements.**

Concerning General Education and College English requirement: The CAES Dean's Office will be evaluating your coursework during Fall quarter and will notify you about your GE/College English progress then.

Additional comments concerning your Fall schedule:

- We strongly recommend that you keep to a **balanced** schedule, taking no more than 2 sciences/math courses this Fall. Please take a **minimum of 12 units (full time standing) and no more than 15 units (including workload units) and do not take courses numbered 200 or above.**
- If you choose to waitlist for a course, please be sure to be fully registered in 12 units (not including waitlisted). There is no guarantee that you will be admitted into a waitlisted course. It is advised that you create a schedule that you would be happy to take if you are not able to get into the waitlisted course.
- We also do not recommend that you start an internship your Fall quarter. It is best to get use to the campus and life at UC Davis before starting any internships.

Placement Exam Information:

Chemistry Placement: <https://chemistry.ucdavis.edu/undergraduate/general-chemistry-series/chemistry-placement-requirements/0000>

Math Placement: https://www.math.ucdavis.edu/undergrad/math_placement/

Lower-division General Prep courses available in Fall: We recommend double checking which General Preparatory Subject Matter section you are missing with an Advisor and which section a course from below will satisfy before registering.

ABT 16	2 units	GEL 16	3 units	PLS 13	3 units
ABT 49	2 units	GEL 17	2 units	PLS 15	4 units
ENH 6	4 units	GEL 25	3 units	PLS 49	3 units
ETX 10	3 units	PLS 2	4 units	SSC 10	3 units
GEL 1	4 units	PLS 7V	4 units	VEN 2	2 units
GEL 10	3 units	PLS 12	4 units	VEN 3	3 units

Elective Courses: These courses do not satisfy GE credit needed for the AEE major, but will count towards minimum progress and the 180 unit requirement for graduation.

Aggie Ambassadors	1-2 units	EDU 81	2 units
AMS 95	2 units	ECH 1 or 1Y	3 units
ANS 18	4 units	First-Year Seminars ^{▲▲}	1-2 units
ANS 49B-J [▲]	2 units	GEL 12	2 units
AVS 13	3 units	HUM 1	2 units
Career Discovery Group	1 unit	MANRRS	1 unit
DRA 41A	2 units	NUT 10	3 units
DRA 42A	2 units	NUT 11	2 units

[▲] Before registering for an ANS 49, check the facility location here: <https://animalscience.ucdavis.edu/facilities>. Some facilities are several miles off-campus.

^{▲▲} A list and description of all First-Year Seminars can be found online at <https://fys.ucdavis.edu/schedule>.
