

## **Horse Day:**

***Demonstrations & Discussions***

***with Experts***

Join us for the annual UC Davis Horse Day! Held at our Animal Science Horse Barn facility on Saturday, October 20th, it will be a day filled with workshops dedicated to continuing education for the horse owner and enthusiast. This day gives you the chance to interact with the animals, talk to the experts, and visit with exhibitors.

At lunchtime, Dr. John Madigan from the UC Davis SVM will present a demonstration on horse rescue useful for all attendees. At the end of the day be sure not to miss the mounted archery demonstration by the California Centaurs! Whether your interests lie with reproduction, nutrition or medicine, there will be something for you!
